Dear Ann Evans and Philip Blaker

Thank you for your letter dated 18 June asking me to consider the addition of a number of vocational qualifications to the priority qualifications list ("the List").

I acknowledge the findings of the formal consultation and the requirement to develop new qualifications; I trust that the new suite of qualifications will comply with the Credit and Qualifications for Wales (CQFW) high level principles.

I have reviewed the titles and descriptions of the qualifications for the Construction and Built Environment sector that you propose adding to the List and I am content to agree to their inclusion; I trust you will continue to work with my officials regarding publication of the List.

Yours sincerely
