

01 November 2018

Dear Responsible Officer,

Qualifications Wales has today published a [contract notice](#) in the Official Journal of the European Union (OJEU), inviting interested awarding bodies to participate in a procurement process to award a contract for the development, delivery and award of new Building Services and Construction qualifications for Wales.

We are conducting a multi-stage procurement process via [etenderwales](#) and welcome submissions by consortia of awarding bodies.

This follows the publication of "Building the Future", our report into qualifications and the qualifications system in construction and the built environment and our recently updated [Priority Qualifications List](#) of restricted qualifications.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Elizabeth Frizi'.

Elizabeth Frizi MCIPS  
Head of Procurement
