Dear Responsible Officer

We are pleased to publish our [report](#) on the Review of Qualifications in Sport and Public Services in Wales. This report is the culmination of our first phase 2 sector review which involved a wide range of stakeholders. We conducted over 55 in-depth interviews with learning providers, sector bodies and wider stakeholders, and over 380 learners contributed their views through our online survey. Evidence from all these stakeholders was used to inform the findings that are presented in the report.

In the report we outline the actions that we have taken, and will take, to address the concerns identified by our review and to strengthen the current qualifications on offer in Wales.

We hope that you find the report interesting and informative. If you have any questions, please do not hesitate to contact us on phase2sectorreviews@qualificationswales.org.

Yours sincerely
