## **Qualifications Wales Vocational Qualifications Contingency Regulatory Framework**

Dear Responsible Officer

Following the recent consultation on "Arrangements for the assessment and awarding of vocational, technical and other general qualifications: 2021 to 2022", Ofqual have published a new [Vocational Qualifications Contingency Regulatory Framework](#) (Conditions, Requirements and Guidance). This framework came into effect on 6 August 2021.

We can confirm that, as previously, the Qualifications Wales Vocational Qualifications Contingency Regulatory Framework will mirror the framework put in place by Ofqual and CCEA Regulation, to provide consistency of experience for learners whilst continuing to minimise burden on awarding bodies. We will publish our framework during August and we will write to you again when it is in place.

If you have any questions regarding the matter above, please contact [enquiries@qualificationswales.org](mailto:enquiries@qualificationswales.org).

Yours sincerely

**Jo Richards**
