Welcome to Qualifications in Wales (QiW)

The QiW database is owned and managed by Qualifications Wales, the regulator of non-degree qualifications and the qualifications system in Wales.

QiW contains details of all qualifications that are approved or designated for teaching in Wales for learners aged under 19, excluding higher education.

Any qualifications that are approved or designated by Qualifications Wales will be eligible for funding by a Local Authority or by Welsh Government. This funding is for the education provider, not the learner.

Information held in QiW includes:

- qualification titles;
- qualification numbers;
- the Awarding Body that awards each qualification;
- qualification start and end dates;
- links to further qualification information;
- Welsh Government information including:
 - whether it counts as a choice for 14-19 Learning Pathways;
 - performance measures information;

QiW will enable you to:

- search for and view qualification records;
- save your searches;
- compare qualification information;
- export qualification data;
- save qualification data;
- print off qualification data;

You may wish to filter the results to your own awarding organisation initially:

The screenshot shows the Microsoft Excel interface with the 'Filter' dialog box open. An orange arrow points to the 'Filter' button in the 'Sort & Filter' group of the ribbon. The dialog box is titled 'Filter Filter From "Awarding Body"' and shows a list of awarding bodies with checkboxes next to them. The 'Active IQ' checkbox is selected. The background table shows a list of qualifications with various columns including 'Awarding Body', 'Qualification', 'Age range', 'Sector', 'Sub-sector', 'Language', 'Approval', 'Start date', 'Operation', 'Certification', 'EQF level', 'IVET/CVET', 'Assessment', 'Total qualification', 'Guided learning', 'Minimum', and 'Maximum'.
