

# A level results in Wales – summer 2020

## Overall results

compared with summer 2020 Centre Assessment Grades (CAGs)

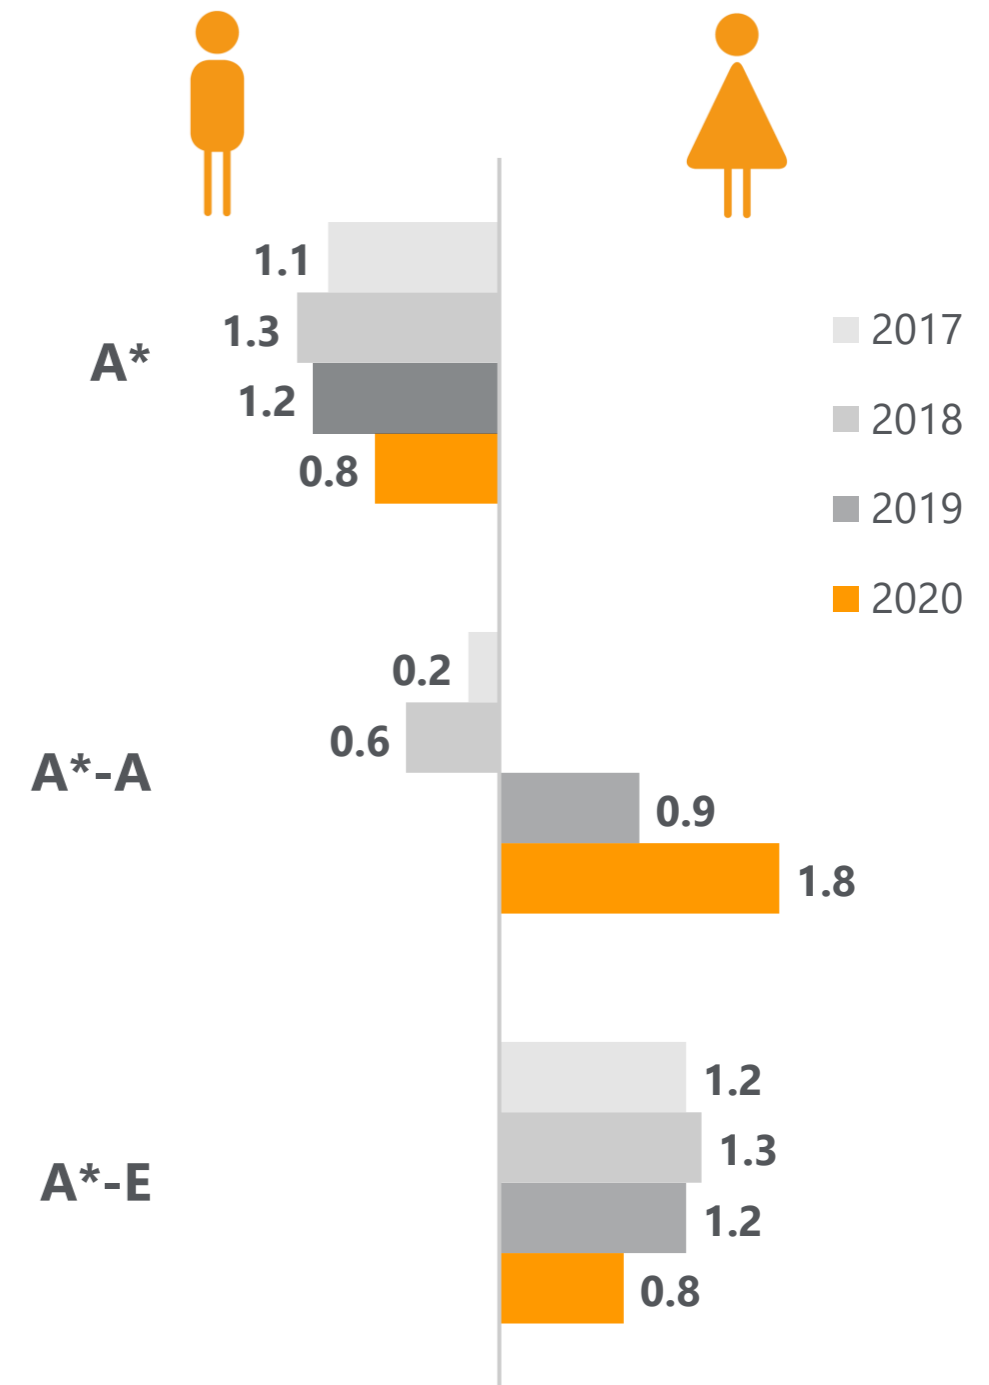

## Total A level awards

**100%** of entries with a valid CAG and rank order received a grade this summer.

**58%** of grades awarded were the same as or better than the CAG.

## Gender gap over time

The gender gap is calculated as the percentage point difference between cumulative percentage results for boys and girls.
