

AS results in Wales – summer 2020

Overall results

compared with summer 2020 Centre Assessment Grades (CAGs)

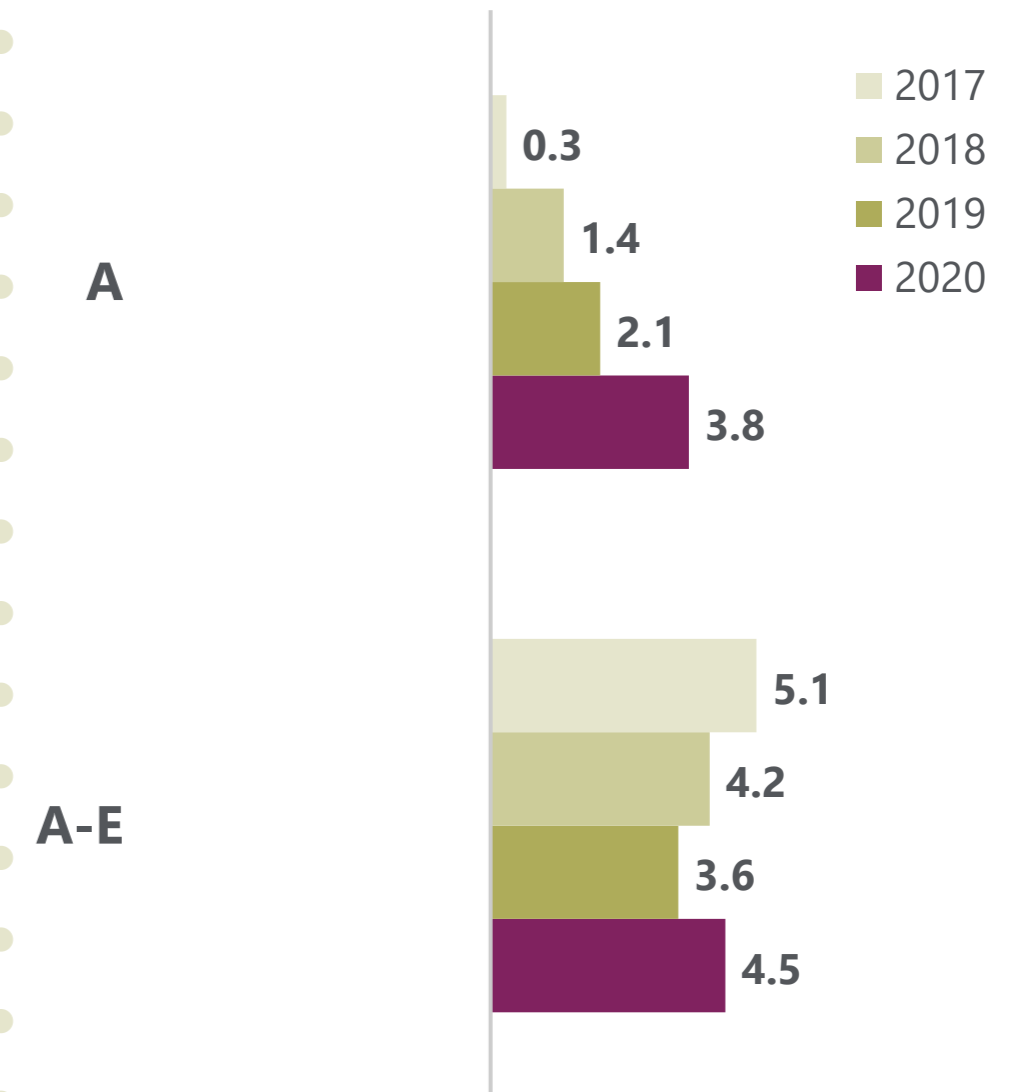

Total AS awards

100% of entries with a valid CAG and rank order received a grade this summer.

57% of grades awarded were the same as or better than the CAG.

Gender gap over time

The gender gap is calculated as the percentage point difference between cumulative percentage results for boys and girls.

Figures shown for 2017-2019 are provisional summer results published by JCQ and have not been adjusted to account for reviews of marking. Care should be taken when comparing these historical results with 2020 results.
