TEACHERS, WE NEED YOU!

Come and join us on an exciting journey to rethink GCSEs for Wales.

Work with us virtually and flexibly to explore and reimagine the relationship between the curriculum, teaching practice and assessment.

This is your chance to directly shape the content of new GCSEs to support the curriculum for Wales.

What do we need from you?

We ask for a commitment of around 5.5 days from November 2021 to June 2022 to work with other teachers and professionals to refine ideas for how we can do things differently.

If you have any questions, or would like to join our Areas of Learning and Experience (AoLE) member network, please contact reform@qualificationswales.org.

We look forward to hearing from you!
